Web Developer Intern · Lucknow, India · khantaha636@gmail.com · +91 6307248338

<b>CAREER OBJECTIVE</b>	Motivated web developer with strong foundations in HTML, CSS, JavaScript, and responsive UI design. Seeking a web development internship to contribute to real-world frontend features, resolve UI issues, and help build scalable, maintainable web applications.
<b>PROJECTS</b>	<b>TraveleX – Travel Booking Web UI</b> (Dec 2025 – Jan 2026) Designed and developed a fully responsive travel booking interface using HTML, CSS, and Bootstrap 5. Implemented login and sign-up authentication modals, a hero landing section with call-to-action, and interactive destination cards with hover effects and booking modals. Ensured mobile-first responsiveness, clean UI transitions, reusable components, and deployed the application on Vercel for production use.  <b>Netflix UI Clone</b> (Jan 2026) Built a Netflix-inspired UI using HTML5, Tailwind CSS, and Vanilla JavaScript, closely replicating real-world layout patterns. Implemented horizontal content sliders, FAQ accordion with smooth animations, and applied accessibility best practices using semantic HTML, ARIA attributes, and keyboard navigation.  <b>Spotify UI Clone</b> (Dec 2025) Created a responsive Spotify Web Player UI using semantic HTML5, CSS3, Flexbox, and custom media queries. Optimized the interface for mobile devices with conditional layouts, horizontal scrolling playlists, bottom navigation bar, and a compact mini-player. Enhanced user experience through CSS-only animations, hover-based play buttons, and scalable, modular styling.
<b>TECHNICAL SKILLS</b>	<b>Frontend:</b> HTML5, CSS3, JavaScript, React, Bootstrap, Tailwind CSS <b>Backend:</b> Node.js, Express.js, REST APIs <b>Database:</b> MongoDB, MySQL <b>Deployment &amp; Tools:</b> Git, GitHub, Postman, Vercel, Linux, Jira
<b>WORK EXPERIENCE</b>	<b>Subject Matter Expert</b> — Startek, Lucknow (Nov 2023 – Aug 2025) Supported backend operations and process optimization in a fast-paced environment. Collaborated with cross-functional teams, improved reporting efficiency, and ensured process adherence.  <b>Customer Service Representative</b> — Niftel Communications, Lucknow (May 2023 – Oct 2023) Improved workflow efficiency and service quality in a high-volume environment while maintaining strong SLA adherence and handling customer-facing operations.
<b>EDUCATION</b>	<b>Bachelor of Computer Applications (BCA), Computer Science &amp; Technology</b> (2023 – 2026) Amity University Online
<b>CERTIFICATIONS</b>	OCI Generative AI — Oracle (Sep 2025) OCI AI Foundations — Oracle (Aug 2025) Cyber Security — Deloitte (May 2025)
<b>ADDITIONAL DETAILS</b>	Solved 250+ Data Structures and Algorithms problems on LeetCode, covering arrays, strings, linked lists, stacks, queues, trees, hashing, and basic dynamic programming. Developed and deployed a live personal portfolio website with a strong emphasis on clean UI, responsiveness, and user experience.
